Soft Skills
Communication, Collaboration, Time management, Adaptability.

EXPERIENCE

Backend Engineer   July 2021 - May 2023
Ari Technology Joint Stock Company   *Tan Binh District, Ho Chi Minh City*

- Achieved 30% growth for Doxa Connex 2.0 by designing and implementing a scalable microservices architecture using Java Spring Boot and ReactJS, while optimizing API response times with Redis.
- Implemented new enhancements which led to 30%, 20% of improvement in Doxa Connex 2.0, Uhouse respectively.
- Developed and integrated new features with Java Spring Boot and ReactJS, boosting the flexibility and reliability of Doxa Connex 2.0 and Uhouse by 30% and 20%, respectively.

Senior Software Engineer   May 2023 - now
Doxa Holdings International Pte Ltd.   *5A Tyrwhitt Rd, Singapore*

- Implemented new enhancements and developed features for Doxa Connex 2.0 and Doxa Remind Scheduler using Java Spring Boot and ReactJS.
- Reviewed pull requests for team members, managed UAT deployments, and led daily scrum meetings.
- Collaborated with Implementation Specialists, Business Analysts, and Product Owners to resolve production issues, improving system uptime by 15% and reducing critical incident resolution time by 25%.

PROJECTS

Doxa Connex 2.0 A procurement, payment, financing, analytics platform for Construction and Real Estate Developers. Over 1,000 companies joined in on Doxa Connex 2.0. And processed over $10,000,000 of invoices to date, with enterprise-grade security recognised by local banks! (Try it here)

Doxa Remind Scheduler A Serverless Application Model (SAM) that leverages AWS EventBridge to periodically trigger AWS Lambda functions for executing complex queries. The results are subsequently employed to dispatch email notifications to end users via AWS SES, reminding them of critical tasks.

Uhouse A real estate management platform that enables organizations to efficiently manage their properties, including contracts, revenue streams, tenants, and equipment.

CERTIFICATES

- AWS Certified Solutions Architect – Associate (View my achievement here)
- AWS Certified Developer – Associate (View my achievement here)
